The fold is the moment work turns into home.

Finish the day

02 · VOICE

Plain, measured, a little warm. Numbers before adjectives.

Brand lines end with the folded full stop. Body copy keeps ordinary full stops.

A square, folded on its diagonal. It means finished, put away, closed.

1 · Open

A silver square, the stand.

2 · Folding

The corner comes over.

3 · Folded

Flap in felt, ghost in silver.

4 · Ends the word

On the baseline, like a full stop.

Four lockups, one stop.

Fold Supply.

Line · site header, receipts, email

FOLD
SUPPLY.

Stack · packs, cards, the mat tube. Both words one exact width

fold.

Short · tight spaces, social handles

Stop alone · avatar, favicon, box seal, woven tab

Rules that keep it a signature.

Size. Two-tone from 40 px. Below that, the flap alone.

One ink. The ghost becomes a dashed line, the box's tear strip.

Clear space. Two stop-widths on every side of a lockup.

Never

As an arrow or a play button.

Lamp amber on a light ground.

Inside body text, prices or errors.

As the only sign of selection.

Rotated as a logo. Only the pattern turns.

Every colour is a material. Four surfaces, one family.

Day

Studio, felt and silver. The default: site, product pages, docs.

On felt

Silver on the mat itself. Mat label, avatars, social.

One ink

Graphite on kraft. Boxes, labels, stickers.

Evening

The finished moment. Lamp amber, the one colour that isn't an object.

Each product, at work and put away.

Valley fold. Section breaks, the box tear strip.

Mountain fold. Card edges, the bag drawer.

Crease. When something folds away, its dashed line turns solid.

One move: the fold, in 240 ms.

Stand added to your bag

Plays for added to bag, order placed, form sent. Reduced motion: it swaps. Prices and Add to bag never move.

The mark is made of the products.

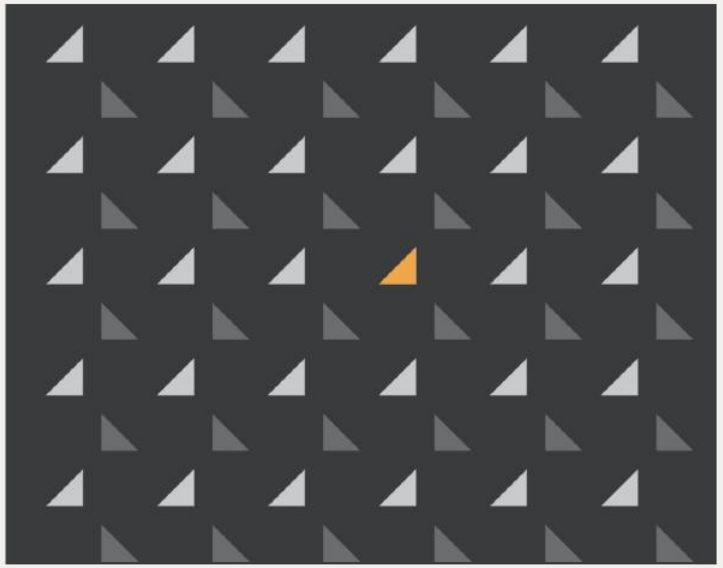

The seal is the logo

A square sticker folded over the lid edge. Closing the box makes the mark.

A woven tab, not a name

25 mm tab in the mat's corner. One etched stop on the stand's foot.

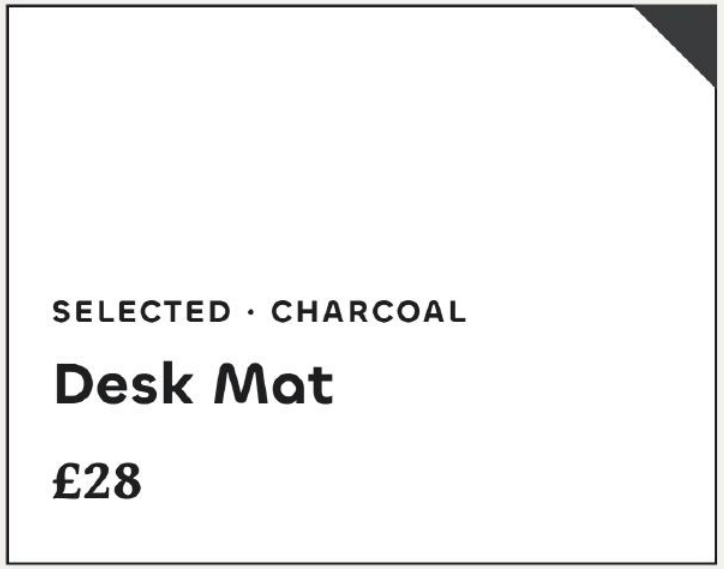

One lamp in every sheet

Tissue, the mat-tube wrap and the 404 page. One amber stop hides in each.

08 · IN USE

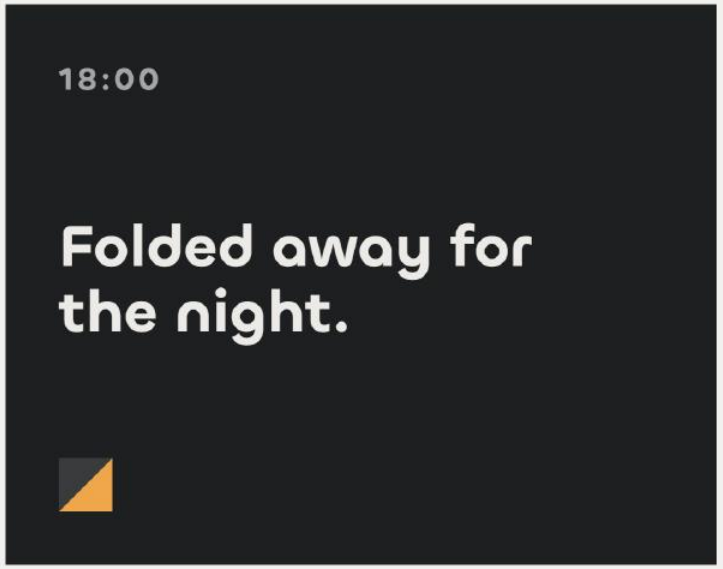

In the interface, folded means done or chosen.

Chosen card. A folded corner, plus the border and the word. Never the corner alone.

Checklists. Done is the folded stop; next is an open square.

Social. Evening posts get the amber flap. Avatars use the stop alone.

Fold Supply.

That’s work done.

Brandbook and design system. Fold Supply is a fictional brand made for a design portfolio.
